

**Dealer Application**

Thank you for requesting our dealer application and for supporting an American manufacturer. We look forward to an excellent business relationship. Lazy Rider only sells direct on the Internet, but not in our dealer's town or city. For this reason we need the following information to help us qualify your business as a legitimate motorcycle business.

**Our definition of legitimate:**

One who owns and operates a motorcycle business which manufactures or sells new or used motorcycles, parts, and accessories. We require the below requested information to help us qualify your business as legitimate. Please do not be offended because this form is for the legitimate dealer's protection.
